Today this Indian city is considered financial, commercial and Entertainment Capital India. This industrial hub of India attracted lakhs of migrants towards making the city the dance city populated in the world. Download Intrusive! Crack Competitive Exam! Differences between State and Territory Union Article 1 of the Indian Constitution, define India as the union in the United States. On administrative terms, today after the inclusion of Jamu and Kashmir, and Ladakh have a total of 28 states and 9 Union territories in India. Let's discuss the major differences between these two administrative forms: States are administrative units with its own elected government, entitled to framing its laws, the legislature's own assembly and chief minister, for the administration. There is a clear distribution of power and responsibility among the center and state. The United States enjoys a certain amount of autonomy. Following the recommendation of the re-organizational commission, economically unprecedented, financially weak, and administratively and politically unstable territory cannot survive as separate administrative units without depending heavily on union government formed as union territories. A territory of syndicate directly governed by the central with Governor Lieutenant (LG) as the president's representative. Unlike states, they are not independent units. Delhi and Puducherry are the only two Union territories that have an elected legislature and are governed by a Lieutenant Governor (LG), chief minister, and council of ministers. These two UTs were granted a partial state, not an amendment to the Constitution. New Delhi is the only Union Territory with a high court. Andaman and Nicobar Islands were union territory first in India. Download Intrusion to Ace Your Prep for Competitive Exam! State and capital of India 2020 – FAQ Now there are 28 states in India. Currently, there are a total of 8 union territories in India. Andaman and Nicobar Islands, Chandigarh, Dadra & Nagar Haveli and Daman & Diu, Delhi, Jamu and Kashmir, Lakshadweep, Puducher and Ladak are the 8 territories Union of India. New Delhi is the capital of India. As of 2020, there are a total of 739 districts in India. There are 4000 towns and cities in the country of Uttar Pradesh having the highest number of districts in India (75). Daman and Diu have merged with Dadar and Nagar Haveli.
